

Interest subvention on MSME loans extended till March

No interest subvention would be admissible for any period during which an account remains NPA

The terms of the scheme have also been tweaked

PRESS TRUST OF INDIA
Mumbai, October 7

THE 2% INTEREST subvention scheme for micro, small and medium enterprises (MSMEs) on loans extended by co-operative banks has been extended till March 31 next year, the Reserve Bank of India said on Wednesday. The terms of the scheme have also been tweaked.

The government had announced the 'Interest Subvention Scheme for MSMEs 2018' in November 2018 for scheduled commercial banks for two financial years 2018-19 and 2019-20. It has been extended for the financial year

2020-21. Co-operative banks also became as eligible lending institutions effective from March 3, 2020.

The coverage of the scheme is limited to all term loans and working capital to the extent of ₹100 lakh. The scheme provides for an interest relief of 2% per annum to eligible MSMEs. In a notification, the RBI said certain operational guidelines for the scheme have been further modified by the government. The validity of the scheme has been extended till March 31, 2021. "Accordingly, fresh or incremental term loan/working capital limit extended by co-operative banks with effect from March 3, 2020 will be eligible for coverage under the scheme," the RBI said. Further, requirement of

Udyog Aadhaar Number (UAN) may be dispensed with for units eligible for GST. Units not required to obtain GST may either submit PAN or their loan account must be categorised as MSME by the concerned bank, the RBI said.

The regulator has asked co-operative banks to take appropriate action as envisaged in the operational guidelines and issue necessary instructions to their branches or controlling offices for successful implementation of the scheme. According to the scheme, loan accounts on the date of filing claim should not have been declared as NPAs. No interest subvention would be admissible for any period during which the account remains NPA.

Bajaj Fin accelerates provisioning for Covid; reports fall in new loans

FE BUREAU
Pune, October 7

BAJAJ FINANCE IN an performance update for the second quarter of the current fiscal has said it continued to accelerate provisioning for COVID-19 to strengthen its balance sheet.

Bajaj Finance's overall provisioning made for the pandemic as on June 30 stood at ₹2,350 crore, which was 10.8% of the consolidated moratorium book. In an exchange filing, the company also said new loans booked during the second quarter was 3.6 million, compared with 6.5 million in Q2FY20. During the quarter, the company acquired 1.2 million new customers, against 1.92 million in the year-ago period. "The loan growth has taken

a hit as the management has turned risk-averse due to regional lockdowns amid rising COVID-19 cases. However, our channel checks indicate that Bajaj Finance was back to lending and disbursing in September 20," an Emkay Global analyst report said.

"The sharp decline in disbursement volumes has come as a bit of a disappointment in the context of healthy trends witnessed by peers such as HDFC. Nevertheless, we believe it is a good strategy to curtail disbursements in this uncertain environment. In our opinion, this stance is likely to continue for another quarter or so," a Moti-

l Oswal analyst report said.

Bajaj Finance's assets under management as of September 30, 2020 stood at approximately ₹137,300 crore, compared with ₹135,533 crore as

of September 30, 2019. There has been a 0.5% de-growth in AUM sequentially from ₹1,38,055 crore as of June 30.

The NBFC said it remains well capitalised with the capital adequacy ratio of approximately 26.5% as of September 30, 2020 while maintaining the highest-ever liquidity buffer with consolidated liquidity surplus at ₹22,300 crore. The deposit book stood at ₹21,600 crore at the end of Q2, compared with ₹17,633 crore in the same period last year.

The stock fell 4.12% on Wednesday to ₹3,331.20 on the BSE.

Rupee ends losing streak, rises 13p

PRESS TRUST OF INDIA
Mumbai, October 7

SNAPPING ITS TWO-DAY losing streak, the rupee strengthened by 13 paise to settle at 73.33 against the US dollar on Wednesday, aided by foreign fund inflows and positive domestic equities.

Traders said investors are focusing on the RBI's Monetary Policy Committee (MPC) meeting. The newly-constituted MPC of the Reserve Bank of India began its three-day deliberations on Wednesday. The decision of the rate-setting panel will be announced on October 9. "This week is the RBI MPC outcome, we expect the central bank to maintain a status quo on the back of rising inflation.

The focus will be on growth projections, as since February 2020, the RBI has not given a solid economic projection," said Rahul Gupta, head of research - currency, Emkay Global Financial Services. Meanwhile, the dollar

index inched up 0.03% to 93.71.
