Tata Motors increases passenger vehicle prices
Confirms price protection for customers who have booked vehicles on or before 21st January

Mumbai, January 22, 2021: Tata Motors, India’s leading vehicle manufacturer, has announced that it will hike prices of its passenger vehicle range, effective today. Rising input costs and material costs of steel, precious metals and semiconductors have compelled the company to pass on a part of the cost to customers.

Tata Motors has marginally increased prices from 0 to INR 26,000, depending on the variant. Continuing its commitment towards customers, the Company will also offer protection from the price increase to customers who have booked Tata passenger vehicles on or before 21st January.

Tata Motors PV Business has been witnessing strong demand for its ‘New Forever’ range of Cars & SUVs and grew by 39% in FY21 over FY20. In Q3FY21, Tata Motors also registered the highest ever sales in last 33 quarters and continues to work on debottlenecking the supply chain and ramp up its output to meet the increased demand.
