Directors' report

The directors present the Annual Report and the financial statements for InMotion Ventures 2 Limited ("the Company") for the year ended 31 March 2023. The Directors' report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption.

Background and general information

The Company was incorporated on 25 October 2016 and is domiciled in England as a private limited company. The address of its registered office is Abbey Road, Whitley, Coventry, CV3 4LF, United Kingdom.

Results

The income statement shows a loss after tax for the financial year of £1,895,397 (2022: £1,783,713).

Dividends

The directors do not propose a dividend for the year ended 31 March 2023 (2022: £nil).

Principal activity

The Company's principal activity during the year was to provide on demand vehicle rental services.

Directors

The directors who held office during the year and to the date of this report unless otherwise stated are as follows:

I. M. Dando (resigned 17 June 2022)

I. M. Murakami

R. Ismail (appointed 17 June 2022)

Strategic report exemption

The Company has elected not to prepare a strategic report. The Company qualifies as small and as such seeks to take advantage of the exemption available under section 414A of the Companies Act 2006 with regard to including a Strategic report.

Directors' indemnities

The Company's intermediate parent company, Jaguar Land Rover Automotive plc, maintained director's liability insurance for all directors during the financial period and subsequently.

Research and development

The Company undertook no research and development activities during the year (2022: £nil).

Political donations

The Company made no political donations during the year or prior year.

Events after the reporting date

There have been no material events since the reporting date.

Going concern

Notwithstanding net current liabilities of £9,402,943 as at 31 March 2023 and a loss for the year then ended of £1,895,397, the financial statements have been prepared on a going concern basis which the directors consider to be appropriate for the following reasons:

The directors have performed a going concern assessment for the Company for a period of 12 months from the date of approval of these financial statements which indicates that, taking account of reasonably possible downsides, the Company will have sufficient funds through funding from its intermediate parent company, Jaguar Land Rover Automotive plc, to meet its liabilities as they fall due for that period.

Directors' report (continued)

Going concern (continued)

The going concern assessment for the Company is dependent on Jaguar Land Rover Automotive plc not seeking repayment of the amounts currently due, directly or indirectly, to the group and providing additional financial support during that period.

Jaguar Land Rover Automotive plc has indicated its intention to continue to make available such funds as are needed by the Company, and that it does not intend to seek repayment of the amounts due at the balance sheet date during the going concern assessment period. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

Consequently, the directors are confident that the Company will have sufficient funds to continue to meet its liabilities as they fall due for at least 12 months from the date of approval of the financial statements and therefore have prepared the financial statements on a going concern basis.

Independent auditor

Mazars LLP was appointed in office as auditor of the Company in accordance with section 487(2) of the Companies Act 2006 on 26 April 2023.

In accordance with Section 487 of the Companies Act 2006, the Company has elected to dispense with laying financial statements before the general meeting, holding annual general meetings and the annual appointment of the auditor. With such an election in force, the Company's auditor shall be deemed to be re-appointed for each succeeding financial year in accordance with Section 485 of the Act.

Statement of disclosure of information to auditor

In the case of each of the persons who are directors at the time when the report is approved under Section 418 of the Companies Act 2006 the following applies:

- so far as the directors are aware, there is no relevant audit information of which the Company's auditor is unaware; and
- the directors have taken necessary actions in order to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Approved by the Board of Directors and signed on behalf of the Board by:

H. Cairns
Company Secretary
25 July 2023

Statement of directors' responsibilities in respect of the Annual report and the financial statements

The directors are responsible for preparing the Annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 101 Reduced Disclosure Framework.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards, comprising FRS 101 have been followed, subject to any material departures disclosed and explained in the financial statement; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. The directors are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditor's report to the members of InMotion Ventures 2 Limited

Opinion

We have audited the financial statements of InMotion Ventures 2 Limited (the 'company') for the year ended 31 March 2023 which comprise the Income statement, balance sheet, statement of changes in equity and notes to the financial statements, including a summary of significant accounting policies.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2023 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Independent auditor's report to the members of InMotion Ventures 2 Limited (continued)

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemption in preparing the directors' report and from the requirement to prepare a strategic report.

Responsibilities of Directors

As explained more fully in the directors' responsibilities statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

Based on our understanding of the company and its industry, we considered that non-compliance with the following laws and regulations might have a material effect on the financial statements: employment regulation, health and safety regulation, and anti-money laundering regulation.

Independent auditor's report to the members of InMotion Ventures 2 Limited (continued)

Auditor's responsibilities for the audit of the financial statements (continued)

To help us identify instances of non-compliance with these laws and regulations, and in identifying and assessing the risks of material misstatement in respect to non-compliance, our procedures included, but were not limited to:

- Inquiring of management and, where appropriate, those charged with governance, as to whether the company is in compliance with laws and regulations, and discussing their policies and procedures regarding compliance with laws and regulations;
- Inspecting correspondence, if any, with relevant licensing or regulatory authorities;
- Communicating identified laws and regulations to the engagement team and remaining alert to any indications of non-compliance throughout our audit; and
- Considering the risk of acts by the company which were contrary to applicable laws and regulations, including fraud.

We also considered those laws and regulations that have a direct effect on the preparation of the financial statements, such as tax legislation and the Companies Act 2006.

In addition, we evaluated the directors' and management's incentives and opportunities for fraudulent manipulation of the financial statements, including the risk of management override of controls, and determined that the principal risks related to posting manual journal entries to manipulate financial performance, management bias through judgements and assumptions in significant accounting estimates, revenue recognition (which we pinpointed to the cut-off assertion), and significant one-off or unusual transactions.

Our audit procedures in relation to fraud included but were not limited to:

- Making enquiries of the directors and management on whether they had knowledge of any actual, suspected or alleged fraud;
- Gaining an understanding of the internal controls established to mitigate risks related to fraud;
- Discussing amongst the engagement team the risks of fraud; and
- Addressing the risks of fraud through management override of controls by performing journal entry testing.

There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management. As with any audit, there remained a risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of the audit report

This report is made solely to the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body for our audit work, for this report, or for the opinions we have formed.

The notes on pages 11 to 17 form an integral part of these financial statements.

Notes to the financial statements

1. Accounting policies

A. Background and operations

InMotion Ventures 2 Limited (the "Company") is a private company incorporated, domiciled and registered in England in the UK. The registered number is 10444740 and the registered address is Abbey Road, Whitley, Coventry, CV3 4LF. The Company is an indirect subsidiary of Tata Motors Limited, India ('Tata Motors Limited').

The Company's principal activity during the year was to provide on demand vehicle rental services.

The financial statements are presented in sterling, the functional currency of the Company, being the currency in which it generates revenue and incurs expenses.

B. Statement of compliance

These financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101").

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of international accounting standards in conformity with the requirements of the Companies Act 2006 ("UK-adopted IFRS"), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

The following exemptions from the requirements of IFRS have been applied in the preparation of these financial statements, in accordance with FRS 101:

- IFRS 7, 'Financial instruments: Disclosures'.
- Paragraphs 91 to 99 of IFRS 13, 'Fair value measurement' (disclosure of valuation techniques and inputs used for fair value measurement of assets and liabilities).
- Paragraph 38 of IAS 1, 'Presentation of financial statements' – comparative information requirements regarding:
 - Paragraph 79(a)(iv) of IAS 1;
 - Paragraph 73(e) of IAS 16, 'Property, plant and equipment'; and
 - Paragraph 118(e) of IAS 38, 'Intangible assets' (reconciliations between the carrying amount at the beginning and end of the period).
- The following paragraphs of IAS 1, 'Presentation of financial statements':
 - 10(d) (statement of cash flows);
 - 16 (statement of compliance with all IFRS);
 - 38A (requirement for minimum of two primary statements, including cash flow statements);
 - 38B–D (additional comparative information);
 - 111 (statement of cash flows information); and
 - 134–136 (capital management disclosures).
- IAS 7, Statement of cash flows.
- Paragraphs 30 and 31 of IAS 8, 'Accounting policies, changes in accounting estimates and errors' (requirement for the disclosure of information when an entity has not applied a new issued IFRS that is not yet effective).
- Paragraph 17 of IAS 24, 'Related party disclosures' (key management compensation).
- The requirements in IAS 24, 'Related party disclosures', to disclose related party transactions entered into between two or more members of a group.

C. Going concern

Notwithstanding net current liabilities of £9,402,943 as at 31 March 2023 and a loss for the year then ended of £1,895,397, the financial statements have been prepared on a going concern basis which the directors consider to be appropriate for the following reasons.

Notes to the financial statements (continued)

1. Accounting policies (continued)

C. Going concern (continued)

The directors have performed a going concern assessment for the Company for a period of 12 months from the date of approval of these financial statements which indicates that, taking account of reasonably possible downsides, the Company will have sufficient funds through funding from its intermediate parent company, Jaguar Land Rover Automotive plc, to meet its liabilities as they fall due for that period.

The going concern assessment for the Company is dependent on Jaguar Land Rover Automotive plc not seeking repayment of the amounts currently due, directly or indirectly, to the group and providing additional financial support during that period.

Jaguar Land Rover Automotive plc has indicated its intention to continue to make available such funds as are needed by the Company, and that it does not intend to seek repayment of the amounts due at the balance sheet date during the going concern assessment period. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

Consequently, the directors are confident that the Company will have sufficient funds to continue to meet its liabilities as they fall due for at least 12 months from the date of approval of the financial statements and therefore have prepared the financial statements on a going concern basis.

D. Use of estimates and judgements

The preparation of financial statements in conformity with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The estimates and associated assumptions are based on historical experience and other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. The directors believe that no significant estimates or judgements were involved in the preparation of these financial statements.

E. Revenue recognition

Revenue comprises the consideration earned by the Company in respect of the output of its ordinary activities. It is measured based on the consideration specified in the contract with the customer and excludes amounts collected on behalf of third parties, and net of discounts. The Company considers its primary customers from the provision of short-term vehicle rental services to be end users utilising the booking portals. The Company recognises revenue when it transfers control of a good or service to a customer, thus evidencing the satisfaction of the associated performance obligation under that contract. With regards to the provision of the short-term vehicle rental service, the Company recognises revenue over the course of the rental period, as the customer is simultaneously receiving and consuming the benefit received as the Company performs its obligations. Payment is fully made by the customer and received by the Company prior to the rental period commencing, at which point it is recognised as a contract liability and recognised on a straight-line basis over the term of the service being provided.

Notes to the financial statements (continued)

1. Accounting policies (continued)

F. Operating expenses

All operating expenses are charged to the Income statement on an accruals basis and classified according to their nature. Vehicles purchased from group entities on buyback arrangements are stated at cost of acquisition less the monthly holding cost to arrive at the repurchased price at the end of the vehicle holding period. The holding costs are charged on a straight-line basis over the contractually agreed period.

G. Employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid under short-term cash bonus if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

H. Income taxes

Income taxes comprise current and deferred taxes. Income tax is charged or credited to the income statement, except when it relates to items that are recognised outside of the income statement (whether in other comprehensive income or directly in equity, whereby tax is also recognised outside of the income statement).

Current income taxes are determined based on respective taxable income of each taxable entity and tax rules applicable for respective tax jurisdictions.

Deferred tax assets and liabilities are recognised for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases and unutilised business loss and depreciation carry-forwards and tax credits. Deferred tax assets are recognised to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilised.

I. Finance expense

Finance expense includes interest charged on intercompany loan balances and is accrued using the effective interest rate method and recognised in profit or loss.

J. Receivables

Trade and other receivables are recognised initially at fair value. They are reviewed at the end of each reporting period to determine whether there is any indication of expected losses. If any such indications exist, the asset's recoverable amount is estimated and any changes in expected loss is recognised directly in the Income statement. The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. Receivables are not discounted as the impact of the time on their realised value is not significant.

K. Other financial liabilities

Interest-bearing borrowings are recognised initially at fair value less attributable transaction costs. Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the related instrument and derecognised when the obligation is discharged, cancelled or has expired.

L. Payables

Liabilities, other than those specifically accounted for under a separate policy, are classified as measured at amortised cost using the effective interest method. Any gain or loss on derecognition is also recognised in profit or loss.

Notes to the financial statements (continued)

1. Accounting policies (continued)

M. Cash and cash equivalents

Cash and cash equivalents comprise of cash held by payment system providers and pre-paid debit card balances.

2. Revenue

Year ended 31 March (£)	2023	2022
Revenue recognised for services transferred	4,351,359	2,715,928
Total revenue	4,351,359	2,715,928

Revenues recognised by the Company are in the United Kingdom. The Company applies the practical expedient in IFRS 15.121 and does not disclose information about remaining performance obligations that have an original expected duration of one year or less. This is because revenue resulting from those sales will be recognised in a short-term period.

Included within Contract liabilities is £484,352 (2022: £347,728), which relates to consideration received by the Company in advance of services being transferred to the customer, being short-term vehicle rentals to its customers. As the services are provided to the customer, the associated amounts will be recognised as Revenue.

The movement in the Contract liabilities balance relates solely to changes in cash received for performance obligations unsatisfied at the reporting date of £484,352 (2022: £347,728).

3. Loss before tax

The auditor's remuneration for the current year is borne by the intermediate parent company, Jaguar Land Rover Limited and is not recharged. The Company's allocation for fees payable to the Company's auditor is £19,350 (2022: £15,000). The Company incurred no non-audit fees in either the current financial year or the prior financial period.

4. Employee numbers and costs

Year ended 31 March (£)	2023	2022
Wages and salaries	856,334	950,991
Social security costs and benefits	100,058	102,837
Total employee costs	956,392	1,053,828

The company employed an average number of 15 (2022: 13) employees for the year ended 31 March 2023.

Notes to the financial statements (continued)

5. Directors' emoluments

The Directors who served during the period were also Directors of InMotion Ventures Limited and details of their remuneration are included in the financial statements of that company. The services provided to this Company are considered to represent an insignificant proportion of their time and as such the Directors have received no remuneration in respect of their services to the Company in either period.

Retirement benefits accruing to the directors are also included in the financial statements of InMotion Ventures Limited for both periods.

6. Income taxes

Recognised in the income statement

Year ended 31 March (£)	2023	2022
Tax credit		
Current year	-	-
Prior period	-	-
Total income tax credit	-	-

Reconciliation of effective tax rate

Year ended 31 March (£)	2023	2022
Loss for the period	1,895,397	1,783,713
Income tax credit	-	-
Loss before tax	1,895,397	1,783,713
Income tax credit at 19% (2022: 19%)	(360,125)	(338,905)
Effects of:		
Expenses not deductible	2,336	102
Unprovided tax losses	357,789	338,803
Total income tax credit	-	-

The Company has an unprovided deferred tax asset relating to tax losses of £2,334,362 at 31 March 2023 (2022: £1,863,454) as it is not considered probable that there will be future taxable profits available.

Since 1 April 2020, the UK corporation tax rate applicable has been at 19 per cent. A change to the main UK corporation tax rate from 19 to 25 percent with effect from 1 April 2023 was announced in the Budget on 3 March 2021, and was substantively enacted on 24 May 2021.

Notes to the financial statements (continued)
