

Environmental Policy

Tata Motors reaffirms its commitment to minimise the adverse impact of its products, operations and services on the environment.

Towards this end, it shall strive to:

- Establish sound environmental objectives and targets and a process of reviewing them.
- Comply with all applicable legal/regulatory and other Environmental requirements.
- Reduce the emission levels of vehicles in full compliance of the regulatory norms and proactively work with the Industry, Government, other related industries and agencies to bring in international best practices.
- Use of environmentally sustainable technologies and practices for prevention of pollution and the continual improvement in environmental performance.
- Conserve natural resources and energy by minimizing their consumption and wastage.
- Minimise waste generation, enhance recovery and recycling of material and develop Eco-friendly waste disposal practices.
- Building awareness of our work force, customers and vendors on Environment issues.

This policy has been communicated to all our employees and shall be made available to the public/stakeholders on request.
