**PRESS RELEASE****Tata Motors Announces Price Increase for Commercial Vehicles Ahead of BS6 Phase II Emission Norms**

**Mumbai, 21 March 2023:** Tata Motors, the largest commercial vehicle manufacturer in India, will be implementing a price increase of up to 5% on its commercial vehicles starting from April 1<sup>st</sup>, 2023. The decision to increase prices is a result of the company's efforts to comply with the more stringent BS6 phase II emission norms. As Tata Motors transitions its entire vehicle portfolio to meet these standards, customers and fleet owners can expect a range of cleaner, greener, and technologically superior offerings that deliver higher benefits and lower total cost of ownership.

The price increase will be applied across the entire range of commercial vehicles, with the exact amount varying according to the individual model and variant.

**About Tata Motors**

Part of the USD 128 billion Tata group, Tata Motors Limited (NYSE: [TTM](#); BSE: [500570](#) and [570001](#); NSE: [TATAMOTORS](#) and [TATAMTRDVR](#)), a USD 37 billion organization, is a leading global automobile manufacturer of cars, utility vehicles, pick-ups, trucks and buses, offering extensive range of integrated, smart and e-mobility solutions. With 'Connecting Aspirations' at the core of its brand promise, Tata Motors is India's market leader in commercial vehicles and amongst the top three in the passenger vehicles market.

Tata Motors strives to bring new products that fire the imagination of GenNext customers, fueled by state of the art design and R&D centers located in India, UK, US, Italy and South Korea. With a focus on engineering and tech enabled automotive solutions catering to the future of mobility, the company's innovation efforts are focused to develop pioneering technologies that are sustainable as well as suited to evolving aspirations of the market and the customers. The company is pioneering India's Electric Vehicle (EV) transition and driving the shift towards sustainable mobility solutions by preparing a tailor-made product strategy, leveraging the synergy between the Group companies and playing an active role liasoning with the Government in developing the policy framework.

With operations in India, the UK, South Korea, Thailand, South Africa and Indonesia, Tata Motors' vehicles are marketed in Africa, Middle East, South & South East Asia, Australia, South America, Russia and other CIS countries. As of March 31, 2022, Tata Motors' operations include 86 consolidated subsidiaries, two joint operations, four joint ventures and 10 equity-accounted associates, including their subsidiaries, in respect of which we exercise significant influence.
