## **Tata Motors takes a marginal price hike on its passenger vehicles**

**November 5, 2022, Mumbai:** Tata Motors, India's leading vehicle manufacturer has announced a marginal price increase across its passenger vehicles. Effective November 7, 2022, weighted average increase will be 0.9%, depending on the variant and model.

The company has been absorbing a significant portion of the increased costs but the steep rise in overall input costs has compelled it to pass on some proportion through this minimal price hike.
