PRODUCT NOTE

Tata Winger 9S

The Tata Winger 9S is based on the monocoque chassis that offers the unique proposition of comfortable travel combined with a long-term value for the operator. Built on the 'Premium Tough' design philosophy, the Winger 9S is equipped with a wide grille and trust bar, giving the Winger a distinctive styling. The Winger 9S offers the best of luxury travel and comfort at a value of shared transportation. With premium interiors, comfortable push-back seats and dual air-conditioner, the Winger 9S provides enhanced levels of comfort and a superior on-road experience. Additionally, the monocoque chassis ensures low levels of Noise, Vibration and Harshness (NVH), an independent front suspension along with anti-roll bars and hydraulic shock absorbers ensure a smooth travel.

USP:

- Powered by 2.2-litre DiCOR engine for unmatched performance and superior fuel efficiency
- LNT and DPF technology
- Push-back seats and dual air-conditioner for a comfortable ride
- Sliding door for easy ingress and egress
- McPherson Strut independent front suspension system for a bump-free ride
- Warranty: 3 years and 3 lakh kilometres

Application: Staff, tour and travel

Technical Specifications:

Model	3200 FR 9+D AC
BS6 Technology	LNT+DPF
Emission	BS6
Power	73.5kW @3750rpm
Torque	200Nm @1000-3500rpm
Gear box	5 fwd+1 reverse
Axles	Front- Independent with CV Shaft Rear- Rigid
Clutch	215mm Semi Hydraulic Clutch actuation
Front suspension	Mc Pherson Strut with Coil spring
Rear suspension	Parabolic Leaf Spring
Steering	Power Assisted Rack & Pinion
Front brakes	Disc brakes
Rear brakes	Drum brakes with ABS
Tyres	195R15 LT
Wheelbase (mm)	3200
Overall length (mm)	4940
Overall width (mm)	1905
Overall height (mm)	2100
Ground clearance (mm)	185
Kerb weight (kg)	1975
GVW (kg)	2710
Fuel tank capacity (ltr)	60
