**PRESS RELEASE**

## The Iconic #DARK range now comes with 'Top of the Line' enhancements

*Made feature rich with ADAS, a Larger 26.03 cm Infotainment Screen and an all-new Adaptive User Interface\**

**Mumbai, 22 February 2023:** Following the blockbuster response received at the Auto Expo 2023, Tata Motors, India's leading automobile manufacturer, today, announced the arrival of its new league of **#DARK\*\*** products. Enhancing its successful SUV range even further, this new series comprises of a more upmarket rendition of India's no. 1 SUV – the **Nexon**, the company's premium SUV – the **Harrier**, and its flagship SUV – the **Safari**.

Extending the lineage of the iconic #DARK philosophy, these new products are enhanced with the most premium features seen yet, in the company's passenger vehicles portfolio. With an adaptive User Interface boasting of a new look and feel, a desirable larger Infotainment Screen of 26.03 cm and 10 new ADAS features, the **#DARK** range promises to be the best companion for a progressive customer who wants to make a statement. Further complimenting the already established strong design, these SUVs exude dynamism through the newly added Carnelian Red highlights, giving its customers an exclusive feel of premiumness combined with a bold look. Launched at an attractive price point (All-India, ex-showroom price), the new **#DARK** range meets the BS6 Phase II emission norms, featuring RDE and E20-compliant engines. Customers can now experience and book their favorite **#DARK** SUV from their nearest authorized Tata Motors dealership at a nominal amount of INR 30,000.

### Price Chart

Models	Model Start Price (in INR, Ex-showroom, All India)	<b>#DARK</b> edition Start Price (in INR, Ex-Showroom, All India)
Nexon (Petrol)	7.80 Lakhs	12.35 Lakhs
Nexon (Diesel)	9.99 Lakhs	13.70 Lakhs
Harrier (Diesel)	15.00 Lakhs	21.77 Lakhs
Safari 7S (Diesel)	15.65 Lakhs	22.61 Lakhs
Safari 6S (Diesel)	22.26 Lakhs	22.71 Lakhs

Commenting on the launch of these statement SUVs, Mr. Shailesh Chandra, MD, Tata Motors Passenger Vehicles and Tata Passenger Electric Mobility said, "The **#DARK** range of SUVs marks the new expression of the very successful **#DARK** philosophy. Boosted with features and experiences like ADAS, highly responsive 26.03 cm display Infotainment, coupled with an overall seamless User Interface, these new products are designed for the new gen customers of today who are looking for a user friendly, advanced, safe and high-tech featured companion. I am confident that these new superlative product additions will further cement our position as India's leading SUV player"

### About the Products

The Harrier and the Safari **#DARK** flaunt Bold Oberon Black exteriors, Piano Black Grille with Zircon Red accents, R18 Charcoal Black Alloys with Red Calipers along with **#Dark** logo on the fenders. The interiors are further accentuated with an exquisite Carnelian Red Interior theme which comes alive with the Carnelian Red Leatherette seats with diamond style quilting, complimenting grab handles on doors and central console, **#DARK** logo on the headrest, Steel black front dashboard design and Piano black accents on steering wheel, console and doors.

These OMEGARC twins are further made irresistible as they now come enhanced with the most premium features available across the company's passenger vehicles range. Top of the line advanced upgrades such as 200+ Voice commands in 6 languages, 6 Way powered Driver seats with Memory and Welcome function, 360° Surround View System, 17.78 cms Digital
