PRODUCT NOTE

Tata Intra V20 bi-fuel

Built on our 'Premium Tough' design philosophy, the Tata Intra V20 is India's first bi-fuel pickup (CNG+petrol). Belonging to the versatile Intra range of pickups, the Intra V20 bi-fuel offers uninterrupted operations and comes with a range of 600km. The efficient Intra V20 bi-fuel delivers lower TCO along with best-in-class comfort & convenience for varied applications.

USPs:

- Class leading load body length of 2690mm (8.8ft)
- Highest rated payload capacity of 1000kg for bi-fuel pickup
- Higher strength and rigidity with Hydro forming chassis
- Better drivability with standard electric power steering
- Walkthrough cabin with dashboard mounted gear lever
- Better fuel economy with modern efficient engine, Eco Mode Switch and Gear Shift Advisor
- High ground clearance of 175mm

Key applications: Fruits and vegetables, food grains, e-commerce, LPG cylinders, FMCG, water plants and consumer durables

Technical specifications:

Dimensions	
Load body	
Type	Pickup type. Hinged rear tailgate (Standard)
Dimensions	2690x1607x300mm
Vehicle	
Length	4460mm
Width	1692mm
Height	1921mm (unladen)
Wheelbase	2450mm
Minimum turning radius	5250mm
Ground clearance	175mm

Weight & Performance	
Gross Vehicle Weight	2295kg
Payload	1000kg
Engine, transmission, suspension & steering	
Engine	1.2-litre, 3 cylinder, NGNA Bi-fuel CNG Engine
	Power of 43kW@3950-4050rpm (Petrol)/ 39.7kW @3950-4050rpm (CNG)
	Torque of 106Nm@1800-2200rpm (Petrol)/ 95Nm@1800-2200rpm (CNG)
Transmission	5 speed Gear Box
	Single plate dry friction diaphragm type clutch
Suspension	Leaf springs suspension
Tyres	165 R14
Steering	Electric power assisted
