PRESS RELEASE

Tata Motors Delivers All-New Winger Vaccine Vans in Gandhinagar, Strives to Support Government Vaccination Drive

Vaccine Van flagged off in an event in Rajbhawan in the presence of Hon'ble Governor of Gujarat, Sh. Acharya Devvrat

Gandhinagar, 27 December 2021: Furthering its commitment to improve the wellbeing of the communities in which it operates, Tata Motors, India's leading automobile company, announced the delivery of two Tata Winger Vaccine Vans in Gandhinagar to support the government vaccination drive, raise awareness, and enhance coverage in rural pockets. The Winger vaccination van was flagged off in an event at Rajbhawan on 25th December 2021, in the presence of Shri Acharya Devvrat, Hon'ble Governor of Gujarat, state government officials, Tata Motors Sanand Plant Head, Neeraj Agarwal and representatives from Tata Motors.

The Tata Motors Vaccine Van is built on Tata Winger's versatile platform and is customized to facilitate smooth vaccination in rural areas and is equipped with enhanced safety features and required medical instruments. Its on-ground operation will occur in coordination officials and doctors from the Government Health Department.

About Tata Motors
