## **Tata Motors increases prices across its passenger vehicles, effective Feb 1<sup>st</sup>, 2023**

**January 27, 2023, Mumbai:** Tata Motors, India's leading vehicle manufacturer has announced a price increase across its ICE portfolio of the passenger vehicles. The company has been absorbing a significant portion of the increased costs on account of regulatory changes & rise in overall input costs and is hence passing on some portion through this hike.

Effective Feb 1<sup>st</sup>, 2023, the weighted average increase will be 1.2%, depending on the variant and model.
