

Tata Magna 13.5M Bus

Tata Motors has always been at the forefront by introducing Customer Centric Products, which appeal to masses. This comes from deep knowledge of Indian customers. Tata Motors have consistently supplied products to suit needs of various Customers with well-recognized brands like Starbus and Cityride. As we moved towards better infrastructure and better road connectivity, the expectations of the travellers from the vehicles have increased.

With eye on serving the Intercity Travel and Luxury Tourism Passenger, Tata Motors is introducing the flagship model Magna LPO 1822/69 Chassis. It is made with reliable aggregates like Cummins Engine, Voith Retarder and Tata Motors Gear Box and Rear Axle. LPO 1822/69 offers unmatched value proposition to all the stake holders. The vehicle ensures low total cost of ownership for operators, ease of operations for drivers and superior comfort for passengers.

USPs:

- Power packed engine, delivering 164 Kw (220HP) power and 850Nm torque
- Seating Capacity of 50+D, Sleeper Capacity of 36+D
- Gear Shift Advisor and Eco Switch for high fuel efficiency
- Digital Display Cluster
