PRODUCT NOTE

Tata Intra V20 Gold pickup

Built on our 'Premium Tough' design philosophy, the Tata Intra V20 Gold pickup is India's first and only bi-fuel pickup (CNG+petrol). Conceptualized to offer an anxiety-free commute, the Intra V20 Gold pickup offers uninterrupted operations and comes with an extended range of 800km. Intra V20 Gold pickup will enable customers to leverage the efficiency and profitability of a CNG pickup with an all-terrain capability to reach the remotest locations, supported by India's largest service network.

USPs:

- Class leading load body length of 2690mm (8.8ft)
- Highest rated payload capacity of 1200kg for bi-fuel pickup
- Higher strength and rigidity with Hydro forming chassis
- Better drivability with standard electric power steering
- Walkthrough cabin with dashboard mounted gear lever
- Better fuel economy with fuel efficient engine and Gear Shift Advisor
- High ground clearance of 175mm

Key applications: Fruits and vegetables, food grains, e-commerce, LPG cylinders, FMCG, water plants and consumer durables
