

Tata Motors honors Olympians who narrowly missed the podium finish but inspired billions.

Presents them with the Altroz, #TheGoldStandard of hatchbacks.

Mumbai, August 26, 2021: Tata Motors, India's leading automotive brand today handed over the keys of Altroz - the gold standard of hatchbacks to the Indian athletes who narrowly missed the bronze medal in the recently held Tokyo Olympics. They may not have won a medal but have won hearts of millions and inspired billions through their commendable performances. To recognize and congratulate them, Tata Motors honored 24 Olympians across categories such as Hockey, Wrestling, Golf, Boxing and Discuss throw. An Altroz will be handed over to each athlete, in the High Street Gold colour to mark his or her gold standard efforts.

According to Mr. Shailesh Chandra, President, Passenger Vehicle Business, Tata Motors, *"We are extremely proud of our athletes for the sheer commitment and the indomitable spirit they showed at the recently held Tokyo Olympics and it is my honour to share the same platform with them today. Resonating their spirit and acknowledging their hard work, we are ecstatic to present to them the Tata Altroz, the gold standard in premium hatchbacks. As they continue to inspire each one of us, we wish them all the very best for their future and are confident that in years to come, they will bring to our country success galore.*
