Financials

The positive momentum in JLR's financial performance continued in Q1 FY25, driven by higher wholesale volumes, investment in demand generation and a favourable pricing environment. Revenue for Q1 FY25 was £7.3 billion, the best Q1 revenue on record, up 5% versus Q1 FY24. PBT (bei) in Q1 FY25 was £693 million, up from £435 million a year ago. EBIT margin was 8.9%, up 30 bps yoy. The higher profitability year-on-year reflects favourable volume, mix and material cost improvements, offset partially by increased marketing spend compared to a year ago.

Looking ahead

Looking ahead, we are likely to witness constrained production in Q2 and Q3 reflecting the annual summer plant shutdown and floods at a key aluminum supplier. As we work towards mitigation and recovery, we will hold our guidance on our key full year financial deliverables of >8.5% EBIT and achieving net cash.

Adrian Mardell, JLR Chief Executive Officer, said:

"Thanks to the hard work and commitment of our people, JLR has delivered an outstanding set of results in the first quarter, with record revenues and an increase in year-on-year quarterly profits of nearly 60 per cent. Looking ahead

The forecast of a healthy monsoon, expectations of policy continuity and continuing thrust on infra related developmental projects by the Government are expected to improve the demand for commercial vehicles. The demand in staff, intercity, and stage carriage segments should also remain healthy despite the seasonal dip often seen in school transportation in Q2 FY25. We will continue to drive our demand-pull strategy and drive customer preference through innovation, service quality and thematic brand activation. The business will continue to focus on strong EBITDA delivery, higher ROCE and unlocking value through downstream businesses.

"Q1 FY25 registered a positive start for the Indian commercial vehicles sector. Tata Motors recorded commercial vehicles domestic sales of 87,615 units, ~7% higher than Q1 FY24 sales. Overall positive market sentiment arising from increased economic activity, continuing infrastructure development, and growing demand of e-commerce, auto aggregates and LPG segments led to sales improving across most segments – HCV, MCV and CV Passenger. The business delivered strong EBITDA margins of 11.6% in Q1 FY25. Looking ahead, the widespread onset of monsoon, expectations of policy continuity in the forthcoming budget and thrust on infrastructure should be conducive towards improving overall demand for commercial vehicles. Financials

PV business in Q1 FY25, after a boost in demand initially, saw a decline in retail (registrations) in the month of May and June, influenced by the general elections and heat waves across the country. Volumes stood at 138.8K units (-1.1% yoy) as we readjusted our wholesales in line with retails to keep channel inventory under control. Revenues stood at ₹11.8K Cr (-7.7% yoy) on account of drop in volumes. Despite this, EBITDA margin improved 50 bps yoy at 5.8%, on account of material cost reduction. EBIT margins declined by 70 bps yoy to 0.3% on account of adverse operating leverage, while PBT (bei) was at ₹173 Cr.

Looking ahead

Although demand has remained less than anticipated, we expect it to pick-up during festive period. New product launches will augur well for the business. Our focus is to increase addressable market by introducing new nameplates, strengthen multi-powertrain strategy to leverage industry powertrain shifts and proactively grow the EV market in India while maintaining market leadership. We will work towards enhancing profitability through scale benefits, improving mix and optimization of cost & capex.

Shailesh Chandra, Managing Director TMPV and TPEM said:

"The Passenger Vehicle industry in Q1 FY25 witnessed retails (registrations) moderating, impacted by the general elections and intense heat waves across the country. Tata Motors sales of 138,682 cars and SUVs was slightly lower compared to Q1 FY24, as we proactively readjusted our wholesales in line with retails to keep channel inventory under control. Our multi-powertrain strategy and strong portfolio of SUVs led to steady sales. While the personal segment retails have grown for EVs, there was a sharp decline witnessed in the fleet segment. Going forward, we expect an improvement in overall sales on the back of the onset of the festive season and the launch of Curvv, India's first SUV Coupe."

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

#### Note:

Tata Motors Limited (the "Company") had by way of an application, addressed to the Employee Provident Fund Organisation ("EPFO"), surrendered its exempted Pension fund w.e.f. October 1, 2019. Subsequently, the Company incurred losses for three consecutive years (during FY 2019-20, 2020-21 & 2021-22), thereby calling for an automatic cancellation/withdrawal of pension fund exemption.

On November 4, 2022, the Hon'ble Supreme Court also ruled that those who were members of a statutory pension fund as on September 1, 2014, can exercise a joint option with their employer to contribute to their Pension fund beyond the statutory limit and be eligible to draw their pension calculated based on last 5 years average salary.

The Company accepted and approved the applications filed by its employees for joint option to contribute on higher salary on the EPFO's portal. As per the actuarial valuation, an additional provision of **₹27 crores** has been made for pension on higher salary during the quarter ended June 30, 2024.

EPFO, however, redirected a few of such Joint Applications to the Company's Pension Trust. Considering this, along with the fact that there was no positive movement towards the conclusion of the surrender process of the pension fund, the Company filed a Writ Petition with Hon'ble Delhi High Court for seeking directions to EPFO to immediately start administering TML's Pension Fund, not to reject the joint applications and reconsider the applications it has redirected. The trade unions have also filed another Writ Petition for expediting the transfer of pension fund corpus and accepting the Joint Applications of the employees. The matter shall be listed before the High Court on August 6, 2024 for arguments.

- 5) During the quarter ended June 30, 2024 and 2023, the Company received dividend of ₹1,806 crores and ₹172 crores, respectively from subsidiary companies.
- 6) The Board of Directors has, at its meeting held today, approved (subject to the requisite and other approvals) a Composite Scheme of Arrangement involving the demerger of its Commercial Vehicle ("CV") business undertaking into TML Commercial Vehicles Limited (newly incorporated entity) and the merger of Tata Motors Passenger Vehicles Limited ("TMPVL") with the existing listed company thereby resulting in two separate listed companies for the CV and Passenger Vehicle ("PV") businesses.
- 7) The figures for the quarter ended March 31, 2024 represent the difference between the audited figures in respect of full financial year and the published figures for the nine months ended December 31, 2023.
- 8) The Statutory Auditors have carried an audit of the above results for the quarter ended June 30, 2024 and have issued an unmodified opinion on the same.

#### To the Board of Directors of Tata Motors Limited

- 1. We have reviewed the accompanying Statement of unaudited consolidated financial results of Tata Motors Limited (hereinafter referred to as "the Parent"), and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") and its share of the net profit after tax and total comprehensive income of its associates and joint ventures for the quarter ended 30 June 2024 ("the Statement") (in which are included interim financial statements/ financial results/ financial information of two joint operations), being submitted by the Parent pursuant to the requirements of Regulation 33 and Regulation 52(4) read with Regulation 63 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").
- 2. This Statement, which is the responsibility of the Parent's management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 and Regulation 52(4) read with Regulation 63 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

- 4. The Statement includes the results of the entities mentioned in Annexure I to the Statement.
- 5. Attention is drawn to the fact that the figures for the three months ended 31 March 2024 as reported in the Statement are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
- 6. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditors referred to in paragraphs 7 and 9 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 and Regulation 52(4) read with Regulation 63 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Tata Motors Limited (the "Company") had by way of an application, addressed to the Employee Provident Fund Organisation ("EPFO"), surrendered its exempted Pension fund w.e.f. October 1, 2019. Subsequently, the Company incurred losses for three consecutive years (during FY 2019-20, 2020-21 & 2021-22), thereby calling for an automatic cancellation/ withdrawal of pension fund exemption.

On November 4, 2022, the Hon'ble Supreme Court also ruled that those who were members of a statutory pension fund as on September 1, 2014, can exercise a joint option with their employer to contribute to their Pension fund beyond the statutory limit and be eligible to draw their pension calculated based on last 5 years average salary

The Company accepted and approved the applications filed by its employees for joint option to contribute on higher salary on the EPFO's portal. As per the actuarial valuation, an additional provision of ₹27 crores has been made for pension on higher salary during the quarter ended June 30, 2024.

EPFO, however, redirected a few of such Joint Applications to the Company's Pension Trust. Considering this, along with the fact that there was no positive movement towards the conclusion of the surrender process of the pension fund, the Company filed a Writ Petition with Hon'ble Delhi High Court for seeking directions to EPFO to immediately start administering TML's Pension Fund, not to reject the joint applications and reconsider the applications it has redirected. The trade unions have also filed another Writ Petition for expediting the transfer of pension fund corpus and accepting the Joint Applications of the employees. The matter shall be listed before the High Court on August 6, 2024 for arguments.
